

2018 ANNUAL REPORT

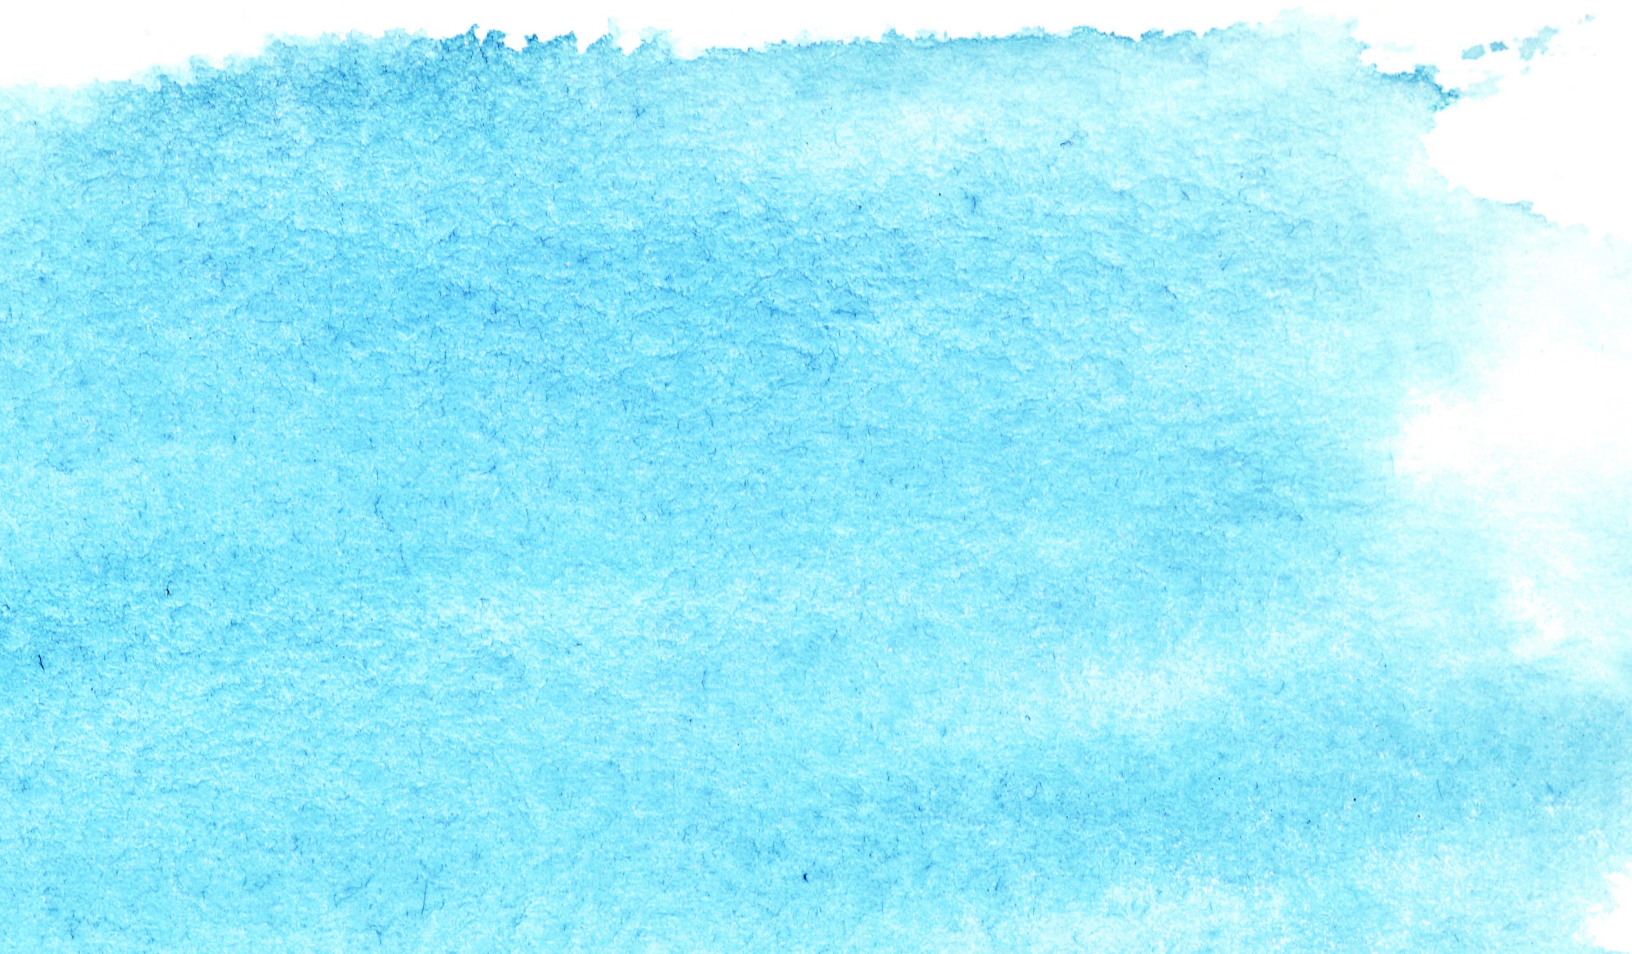

*with your help...*

there's no stopping  
what we can do

While disabilities present different challenges for different people, one commonality is clear: our consumers all have the profound desire to contribute to their households and their communities instead of living in isolation.

*with your help*

Dear friends,

Through our appeal campaign, we've been sharing stories about the people who - because of UCP Seguin Foundation's help - have been able to live a life without limits, no matter what physical, intellectual or socioeconomic obstacles they faced.

**THEY WANTED to earn money and feel like they were contributing to their household.**  
**THEY WANTED to socialize with friends at the movie theater or at sporting events.**  
**THEY WANTED to gain independence and have the power to make their own decisions.**

While disabilities present different challenges for different people, one commonality is clear: our consumers all have the profound desire to contribute to their households and their communities instead of living in isolation.

### **THEY DIDN'T WANT TO STOP**

- **When they aged out of the education system.**
- **When they lost their parents.**
- **When they needed a better living situation.**

### **BECAUSE OF YOUR SUPPORT, THEY DIDN'T HAVE TO.**

This report gives us the chance to look back and see how the money we've raised helped make life without limits a possibility for our consumers. But today's reality is this: we can't stop now.

Please spend a few minutes with this report and see what we've done. Then, make the commitment to help us achieve our ambitious goal of raising \$500,000 for UCP Seguin's Community Connections programming by donating at [www.ucpseguinfoundation.org/donate](http://www.ucpseguinfoundation.org/donate) by May 15, 2019.

With your help, there's no stopping what our consumers can do.

The UCP Seguin Foundation is a 501(c)3 organization based in Chicago that works to raise, grow, steward and distribute funds to programs and services – particularly those provided by UCP Seguin – that help children and adults with disabilities achieve their potential, advance their independence and act as full members of the community.

## *our mission*

We strive to make this world a reality – in Illinois and beyond – for people at every stage of life – by leveraging technology to provide innovative training and education programs, family support, employment and life-skills training, and residential services. Our vision is that all people, regardless of ability, will be valued, active members of their schools, the nation's workforce and the communities where they live.

Last year alone, UCP Seguin Foundation's \$248,050 distribution to UCP Seguin provided the tools and training that ensured our consumers had access to community experiences.

Because of our funding, UCP staff had the opportunity to learn strategies to engage consumers in their communities through intense field coaching by Dr. Laura Owens from the University of Wisconsin. The distribution also covered the writing and development of online training for social services staff, which resulted in more than **55,000 online programs** used by staff from more than **38 agencies**.

thirty

With the incorporation of **30 iPads** into programming, consumers participated in employment exploration, book clubs, event planning and social media. Our nonverbal consumers were able to use the iPads as a tool for on-demand communication.

Foundation scholarships rounded out how our adult consumers engaged in community experiences:

**12 UCPS Paralympic athletes** competed in the USA Boccia National Meet because of the Foundation grant. **Four** of the athletes were nationally ranked and **one** had the opportunity to travel to Argentina as a member of the USA National Boccia 2018 Team.

**10 individuals secured employment**, and many participated in activities such as Tai Chi, aqua aerobics, horticulture, swimming, basketball and yoga.

15k

Additionally, a **\$15,000 grant** allowed us to serve as the presenting sponsor of UCP Seguin's biannual Infinitec awards dinners, a celebration of what people with disabilities are capable of doing if given access to the proper tools and opportunities. Each year at these dinners, awards are given to students who exemplify how the amazing capacity of technology has aided in their advancement.

And when it comes  
to our fundraisers,  
why would we stop?

*our events*

In June, we committed funds from our **26th Annual Great Chefs Tasting Party** at the Sheraton Grand Chicago to UCP Seguin's Community Connections programming. Guests enjoyed signature cocktails from two distillers, a festive beer garden and tastings from more than two dozen of Chicago's best restaurants.

Each year, **Chip In Fore** Hope draws our board members and guests to the green so we can raise some green. And because the belief in our mission is so strong, current (and former) board members donate the proceeds of their own golfing events - Burke Beverage Golf Outing and Southside Scramble – to UCP Seguin Foundation.

If you've joined us for any of our events, you know that each event is a labor of love – a lot of work goes on behind the scenes to make them run smoothly. Please contact Sue O'Donovan at [sodonovan@ucpseguinfoundation.org](mailto:sodonovan@ucpseguinfoundation.org) if you'd like the opportunity to support any of these events with a meaningful commitment of your time, leveraging your personal or professional connections or securing a corporate sponsorship.
