PERSISTENCE

IN THE FACE OF

CHALLENGE

MOVING FOWARD

Dear Friends,

Last year we had an unprecedented start on planning for our 28th Annual Great Chefs Tasting party. But like many in our position, COVID-19 forced the cancellation of that fundraiser. It did not, however, cancel our commitment to fund programs for people with disabilities at every age and stage of life.

IF THERE IS ANYTHING WE HAVE LEARNED FROM THE INDIVIDUALS WE SERVE, IT IS **PERSISTENCE** IN THE FACE OF CHALLENGES.

Our recent efforts have generated funds primarily for Infnitec – an assistive technology program that leverages the power of technology to advance independence and promote inclusive opportunities for children and adults with disabilities. So when our consumers found themselves in the digital divide – self-isolating at home without internet access or a computer – the Infnitec Team stepped up to:

- develop a **Paraprofessional Professional Learning** series, to impact student outcomes when in-person learning resumes
- work with social workers to **help families receive** hospital beds, commodes, walkers, Hoyer lifts, diapers, wheelchairs and bath benches when medical supply companies were overwhelmed with orders from healthcare facilities during the pandemic
- ensure that parents, teachers and students had both the equipment and Internet access to **eLearn and stay connected** at home

While this annual report necessarily looks back, the Foundation is also very much looking forward. We look forward to connecting with you again – hopefully at our next Great Chefs Tasting Party, and otherwise through our annual giving and other campaigns. We look forward to continuing our support of programs focused on leveraging technology and other assistive devices towards leveling the playing field. And we look forward to advancing the Foundation's mission to help persons with disabilities achieve their potential, advance their independence and act as full members of our communities.

We thank you for your continued support.

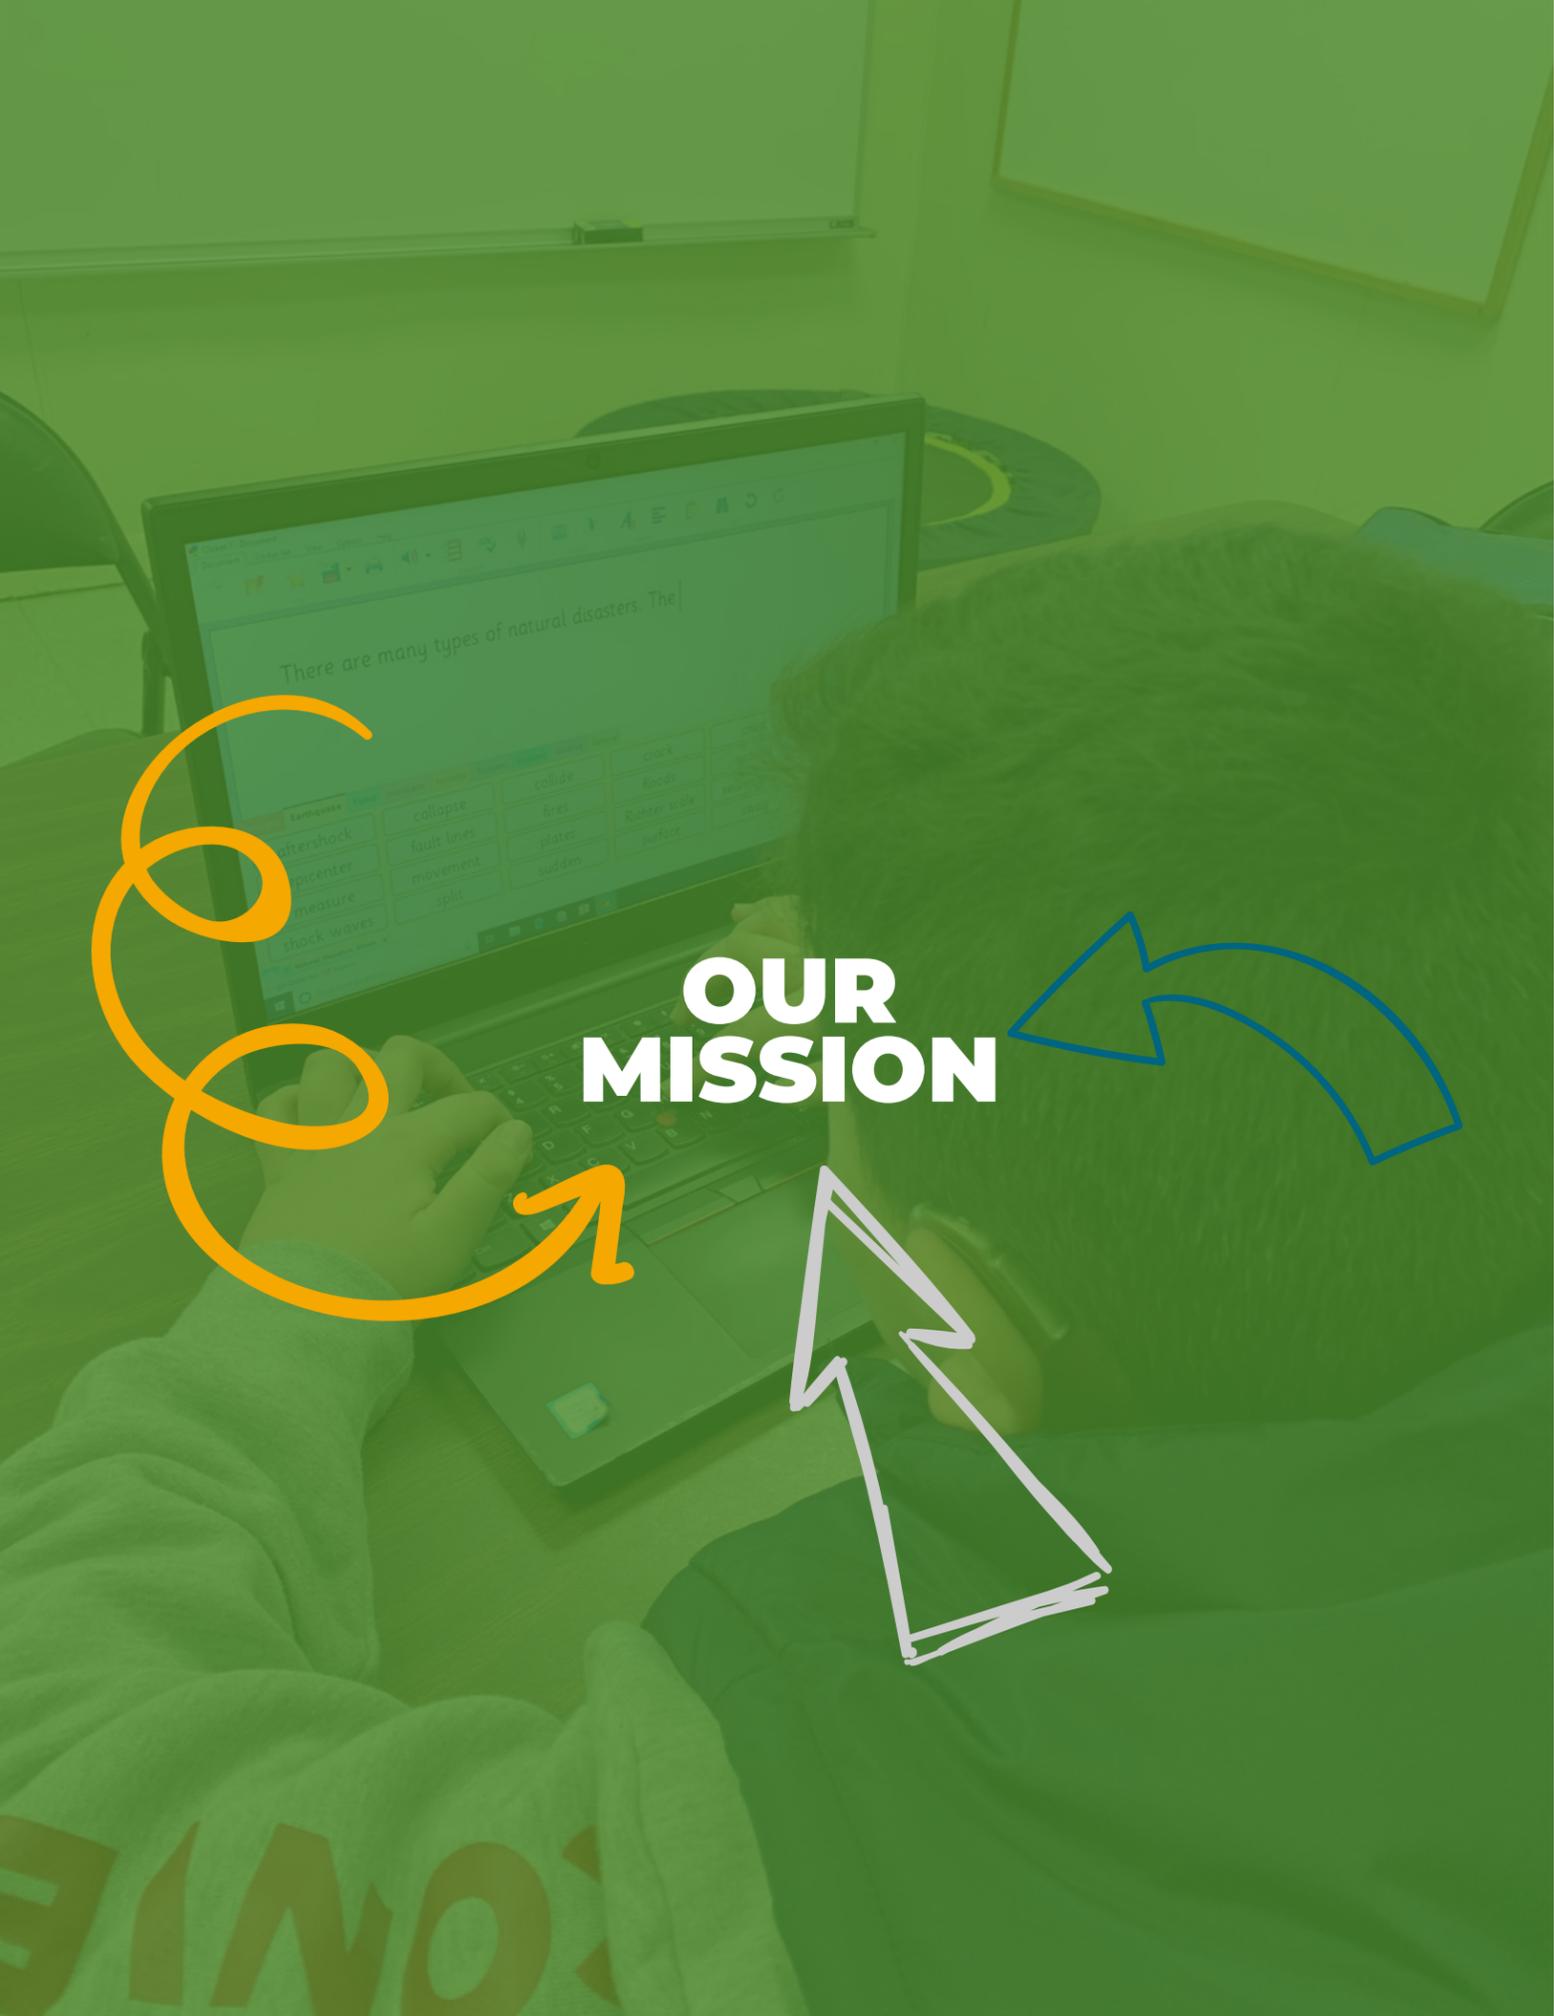

Jim Garvey
Chairman

Susan O'Donovan
President and CEO

OUR MISSION

UCP Seguin Foundation is a 501(c)3 organization based in Chicago that works to raise, grow, steward and distribute funds to programs and services – particularly those provided by UCP Seguin – that help children and adults with disabilities achieve their potential, advance their independence and act as full members of the community. We strive to make this world a reality – in Illinois and beyond – for people at every stage of life – by leveraging technology to provide innovative training and education programs, family support, employment and life-skills training, and residential services.

OUR VISION IS THAT ALL PEOPLE, REGARDLESS OF ABILITY, WILL BE VALUED, ACTIVE MEMBERS OF THEIR SCHOOLS, THE NATION'S WORKFORCE AND THE COMMUNITIES WHERE THEY LIVE.

MAKING AN IMPACT

We'll let our numbers do the talking!

40k

registered for Infnitec training during the last 90 days of the 2019-2020 school year; nearly 36,000 (90%) of these attendees were paraprofessionals

24

Infnitec awards hand-delivered to students nominated by teachers and paraprofessionals for outstanding school and community accomplishments resulting from their mastery of assistive technology

1,600

desktops, laptops, Chromebooks and iPads have been delivered to Illinois special education students since March 13, 2020

504

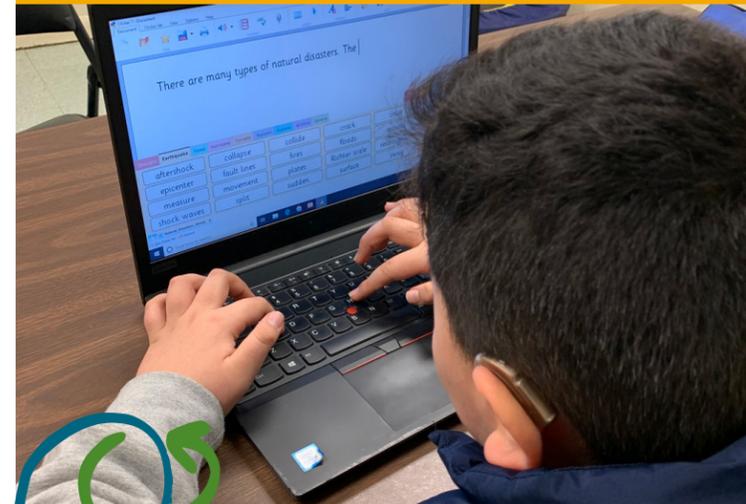

free pieces of durable medical equipment valued at \$160,926 delivered to our consumers in Illinois

2,286

tons of hazardous e-waste diverted from Illinois landfills annually

5,884

complete computer systems (valued at \$1.5 million) acquired, adapted and distributed to 491 public schools, throughout 102 counties in Illinois

IT WAS AN EVENTFUL YEAR:

Here's what happened, what didn't and what changed! And to sponsors and donors that fulfilled their commitments or provided the monetary equivalent even though we had to cancel or modify our event,

THANK YOU.

Happened:

Like bees to honey, our tried-and-true golfers arrived at Ruth Lake Country Club on August 5th to raise some money while lowering their scores (well, some lowered their scores!).

Cancelled:

Hot on the heels of our record-breaking Great Chefs Tasting Party, we got an unprecedented head-start on recruiting and were poised to exceed the number of participating chefs from the previous year and potentially set new fundraising records. As the pandemic broke out across the country, we had to do the tough, but right thing and cancel our event.

Pivoted:

Unable to celebrate our Infnitec students in person at our annual awards dinners, we took the show on the road – literally. In May and June, our team masked up and stepped out to deliver awards to the doorsteps of 24 students throughout Illinois. Award recipients were nominated by teachers and paraprofessionals and were selected by a panel of assistive technology experts based on their outstanding school and community accomplishments resulting from their mastery of assistive technology.
